B. Submitting Comments

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by selecting "Currently under Review - Open for Public Comments" or by using the search function.

The NRC cautions you not to include identifying or contact information in

comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov/> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, "Facility Security Clearance and Safeguarding of National Security Information and Restricted Data." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this information collection on August 23, 2021, 86 FR 47165.

1. *The title of the information collection:* Part 95 of title 10 of the *Code of Federal Regulations*, "Facility Security Clearance and Safeguarding of National Security Information and Restricted Data."

2. *OMB approval number:* 3150-0047.

3. *Type of submission:* Extension.

4. *The form number, if applicable:* NRC Form 405F.

5. *How often the collection is required or requested:* When new facility clearance requests are received, existing facility clearances are terminated, when

respondents make changes reportable under the rule, including a mandatory submission every 5 years.

6. *Who will be required or asked to respond:* NRC-regulated facilities and their contractors who require access to, and possession of NRC classified information.

7. *The estimated number of annual responses:* 172 (144 reporting + 28 Recordkeepers).

8. *The estimated number of annual respondents:* 28.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 664 (490 Reporting + 174 Recordkeeping).

10. *Abstract:* The NRC-regulated facilities and their contractors who are authorized to access and possess classified matter are required to provide information and maintain records to ensure an adequate level of protection is provided to NRC classified information and material.

Dated: November 4, 2021.

For the Nuclear Regulatory Commission.

David C. Cullison,

NRC Clearance Officer,

Office of the Chief Information Officer.
